

| Pre-Conference Workshop, October 02, 2019 (Limited slots only, NO ONSITE REGISTRATION) | |
|--|--|
| Stroke Critical Care 9:00 am – 5:00 pm am (100 slots) Function Room 1, SMX | \$50.00 |
| Thrombectomy (with Hands On Flow Models) 9:00 am – 12:00 nn (40 slots), Meeting Rooms 2-3, SMX | \$50.00 |
| Neuroimaging Workshop 9:00 am – 12:00 nn (40 slots), Meeting Rooms 4-5, SMX | \$50.00 |
| Neurosonology Workshop 9:00 am – 12:00 nn (40 slots), Meeting Room 7, SMX | \$50.00 |
| Neurosonology Certifying Exam By The American Society of Neuroimaging 2:00 – 4:00 pm Meeting Room 7, SMX | \$250.00 Pls. click here |
| Neurosonology Research Group Certifying Exam 2:00 – 4:00 pm Meeting Room 8, SMX | \$50.00 Pls. email: Venketasubramanian Ramani, MD Email: drnvramani@gmail.com |
| Neurorehabilitation Workshop 1:30 pm – 5:00 pm (40 slots), Meeting Rooms 4-5, SMX | \$50.00 |
| VASCOG –ASIA 1:30-5:00 (40 slots) Meeting Rooms 2-3 SMX | FREE |
| ORAL PRESENTATION 8:00 am – 5:00 pm | FREE |

| MAIN CONFERENCE OCTOBER 03-05, 2019 | | |
|--|--|--------------------------------------|
| Classification | Early Bird Up to August 31, 2019 | Onsite From September 01, 2019 |
| Physicians from Low Income – Lower Middle Income Countries http://chartsbin.com/view/2438 | \$350 | \$500 |
| Physicians from Upper Middle Income – High Income Countries http://chartsbin.com/view/2438 | \$450 | \$650 |
| Students / Fellows / Nurses / Allied Health – from Low Income – Lower Middle Income Countries http://chartsbin.com/view/2438 | \$150 | \$250 |
| Students / Fellows / Nurses / Allied Health – from Upper Middle Income – High Income Countries http://chartsbin.com/view/2438 | \$250 | \$350 |
| Accompanying persons (exclusive to social events only, Welcome Reception & Cultural Night) | \$150 | \$200 |

APSC 2019 MANILA PHILIPPINES

Asia Pacific Stroke Conference 2019
October 02-04, 2019

SMX Convention Center, Seashell Lane, Mall of Asia Complex, Manila, Philippines
World Stroke Organization Regional Meeting

October 05, 2019

SMX Convention Center, Seashell Lane, Mall of Asia Complex, Manila, Philippines

Run for Stroke

October 06, 2019

CCP Complex, Manila, Philippines

Hosted by:

Endorsed by:

| OCTOBER 02, 2019, PRE-CONFERENCE SESSIONS AND WORKSHOPS | | | | |
|---|-----------------------|------------------------------|------------------------|-------------------------|
| Stroke Critical Care | Thrombectomy Workshop | Stroke Neuroimaging Workshop | Neurosonology Workshop | Oral Paper Presentation |
| | VASCOG – ASIA | Neurorehabilitation Workshop | NSRG Certifying Exam | |
| | | | ASN Certifying Exam | |

| October 3, 2019 Main Congress | |
|---|---|
| Plenary 1 : Epidemiology of Stroke in Asia <ul style="list-style-type: none"> Overview of Stroke in Asia Pacific Epidemiology of Hemorrhagic Stroke Measuring Stroke Burden in Rural and Remote Regions Plenary 2 : Thrombectomy in Asia Pacific and Global Advances <ul style="list-style-type: none"> Mechanical Thrombectomy in Indian Scenario: Challenges in Development of Stroke Program Acute Thrombectomy for Stroke: Sapporo Experience Mechanical Thrombectomy: Experience in Seoul Korea The Karolinska Experience and Cutting Edge Advances | |
| Plenary 3 : Asia-Pacific Commemorative Lectures Lawrence Wong: Stroke research in Asia, what’s next? Louis Caplan: Thrombolysis: then and now | |
| Poster Session, Foyer Function Room 3 | |
| SSP- Industry Supported Session | SSP-Industry Supported Session |
| Management of Stroke in Asia <ul style="list-style-type: none"> Is it the End for Stenting for Intracranial Stenosis? Tuberculosis and Stroke: Mechanism, Outcome and Future Directions Pharmacologic Management of Small Vessel Disease (SVD) | Stroke Therapies and Prevention : Pros, Cons and Connection <ul style="list-style-type: none"> Statins in Acute Ischemic Stroke What are the next breakthroughs in the management of acute intracerebral hemorrhage Migraine and Stroke |
| Dilemmas in Stroke Treatment in the Multi-Morbid Patient <ul style="list-style-type: none"> Cardio-cerebral Infarction: Heart or Brain? CAD and Ischemic Stroke in AF: Single or Combination Antithrombotics? Anticoagulant Resumption after ICH | Avant Garde Therapies in Stroke <ul style="list-style-type: none"> Effects of Neurorestorative and Neuroprotective therapies in Non-thrombolyzed Patients Hypothermia in Acute Stroke, Asian Perspective Potential of TenecteplaseThe Future of Neuroprotection |
| Poster Session, Foyer, Function Room 3 | |
| SSP- Industry Supported CME Grant : Dual Antiplatelet Therapy for high-risk ischemic stroke CSPS.COM | |
| Opening Ceremonies and Welcome Reception Parade of Countries Welcome Remarks (SSP, Department of Health) Opening Remarks (WSO, APSO) | |

| October 4, 2019 Main Congress | |
|---|--|
| Plenary 4: Treatment of Acute Stroke: Progress and Possibilities <ul style="list-style-type: none"> Management of Cerebellar Hemorrhage Low Dose Alteplase in Acute Stroke: No Role after All ? Efficacy and Safety of IV Thrombolysis for Wake up Strokes and Delayed Time Window Plenary 5 : Challenges in Stroke Management <ul style="list-style-type: none"> Antiplatelet Therapy in Acute Stroke Underdosing of Anticoagulants for AF in Asians: Prevalence and Outcomes Thrombectomy in the Asia Pacific Region: Are We Ready? | |
| Plenary 6 : Advances and Innovations in the Neurosurgical Treatment of Aneurysms and AVMs <ul style="list-style-type: none"> Various Vascular Reconstructions for Complex Cerebral Aneurysms Result of Surgical Resection of AVM in the Far East Neurosurgical Institute | |
| Poster Session, Foyer, Function Room 3 | |
| SSP- Industry Supported CME Grant | SSP-Industry Supported CME Grant Penetrating Artery Disease: Pathophysiology, Therapeutic Challenges and Opportunities (Louis Caplan, US) |
| Embolic Strokes beyond AF <ul style="list-style-type: none"> What now for Atrial Cardiopathy and Antithrombotic Therapy Indications for Closure for Patent Foramen Ovale | Complications of Stroke <ul style="list-style-type: none"> DVT in Stroke: Uncommon in Asians? Mobilization to prevent complications after Stroke: The sooner the Better? Sleep Disorders after Stroke |
| Rehabilitation in Stroke: <ul style="list-style-type: none"> Use of DBS in Stroke Rehabilitation Stroke Telerehabilitation in the Community Setting Challenge of Using Locally Produced Robotics for Upper Extremity Rehabilitation | Vascular Training and Specialist Recognition in Asia <ul style="list-style-type: none"> Taiwan Korea Thailand India Philippines Academic Research and Scientific Paper Writing on Stroke |
| SSP – Industry Supported CME Grant | |
| APSC 2019 Closing Ceremonies | |
| CULTURAL NIGHT Opening /Welcome Message Showcase of Philippine Culture | |

| October 5, 2019 WSO Regional Meeting | | |
|---|----------------------------------|--|
| <ul style="list-style-type: none"> Global Burden of Stroke Setting up Stroke Services in Low to Middle Income Countries IV Thrombolysis: Still the Most Important Stroke Intervention Prehospital Stroke Care Controversies in Thrombectomy Multimodal Imaging in the Era of Thrombectomy Translational Stroke Research: Where have we been and where are we going? | | |
| SSP-Industry Supported CME Grant | SSP-Industry Supported CME Grant | Innovative Smart Mobile App Solutions: Improving Outcomes Globally in Stroke Care Continuum Workflow |
| WSO-Angels Regional Initiatives in Stroke Improving Stroke Care in Asia Title: Angels Regional Initiatives in Stroke – Improving Stroke Care in Asia Strategy and Achievements of the Angels Initiative across the world Improving outcomes in severely under resourced settings: <ul style="list-style-type: none"> Angels and RES-Q in Vietnam Indonesia Malaysia Philippines (i.e. on the CPOST Training program) Thailand Myanmar Roundtable discussion WSO Angels Awards | | |
