

ESO-GAINS-WSO Early Career Investigators Workshop 2020

Tuesday, May 12, 2020 0800 - 1700

(European Stroke Organisation /Global Alliance of Independent Networks focused on Stroke trials (GAINS) / World Stroke Organization Early Career Investigators Workshop 2020)

We invite you to the second Early Career Investigators Training day, an event for emerging investigators from across the world. Participants to this dynamic day will have opportunity to learn about regional and global clinical research networks and hear from experienced clinician researchers about their pathways to success. Interactive sessions will give opportunities for participants to get feedback on their research ideas and to workshop common challenges faced in building research careers with experienced mentors from a range of disciplines. Participants can share experiences and create and extend their research networks (see conference website for full program details).

Are you Eligible?

We welcome applications from early career researchers (up to 10 years of academic career) from all disciplines.

Is there a cost and how do I register?

The event is **FREE** with conference registration. Simply complete registration for this event at the time you register for the main conference.

Venue: Congress Centre – rooms to be advised.

Submitting your research idea

To get the most out of this day, participants should consider submitting an expression of interest to present their research idea in a small session format. The topic areas include hyperacute ischaemic stroke, ICH, secondary prevention, stroke recovery and nursing, imaging, omics, epidemiology and cohorts.

You can either submit an abstract via the Conference portal – topic “*Young Stroke Physicians and Researchers: Research Design Workshop For Studies In Development*” <https://eso-wso-conference.org/abstract-topics-2/>

Or submit your abstract to the Organisers directly via esoinfo@eso-stroke.org

Participant numbers are restricted.

To apply, please send a short CV to esoinfo@eso-stroke.org
